Job description :

1. Proficiently utilize office software for material statistics.
2. Coordinate with downstream suppliers while meeting the requirements of upstream customers.

May 2017 - Present Experiences at School

Job description :

1. I served as the head of the Board Game Club at school for one year, during which I participated in the planning of club-related activities and the organization of personnel. I was awarded the title of "Outstanding Head" for my achievements. Additionally, I successfully passed the Computer Level 2 Exam and am proficient in the use of office software such as Microsoft Office and WPS.
2. I actively participated in various cultural and sports activities organized by the school. I received the third prize in the Shanxi Provincial Transportation Science and Technology Competition. I also went to Baoji to participate in a school-organized summer social practice activity, which enhanced my teamwork and communication skills.
3. Currently, I am serving as the Vice President of the Graduate Student Union in the School of Transportation Engineering. In this role, I assist teachers in managing the daily affairs of the graduate student union. I am responsible for organizing and planning union-related activities.

Certificate of Honor

Competition Certificates: Third Prize in Shaanxi Province Transportation Science and Technology Competition; Third Prize in Chang'an University Graduate Mathematical Modeling Competition;

Scholarships: Second-class Academic Scholarship at Chang'an University.

Skill Certificates: CET-6 ; Level 2 Certificate in Computer Proficiency; Level 2 Certificate of Proficiency inMandarin.

Self-Evaluation

I have a cheerful personality, strong professional knowledge, excellent execution capabilities, a proactive attitude towards self-directed learning, and the ability to quickly adapt to new environments while constantly seeking challenges to improve myself. I possess strong organizational and coordination skills, problem-solving abilities, cost-consciousness, and quality awareness.
